CATALOGUE 2023

This catalogue contains some of our work of Tote bags, Kraft bags, and non woven bags manufactured for our satisfied customers

OUR BEST SERVICES

Tote Bags

Tote bags are a great way to promote your brand and show your customers that you care about the environment. They are made from a variety of fabrics, such as polyester, cotton, and other eco-friendly materials. They come in various sizes and styles, with zippers and pockets for added convenience. You can even get them printed or embroidered with your logo or special message just for your customers.

Kraft Bags

Kraft bags are a popular and versatile packaging solution for a wide range of products. They come in different colors, sizes, and handle styles, making them an ideal choice for any brand or logo. Whether you are looking for brown or white kraft bags with printed logos or customized sizes, they can provide the perfect solution to your packaging needs. With their strong construction and durability, these bags will make a lasting impression on your customers.

Non-Woven Bags

Non-woven bags are an environmentally friendly alternative to plastic and paper bags that are becoming increasingly popular. These bags come in various sizes, shapes, and colors, and can be customized with handles, drawstrings, and printing to suit any need. Non-woven bags are perfect for commercial use in hotels, apparel shops, supermarkets, and more. They provide a sustainable and reusable solution for carrying goods while also reducing the amount of single-use plastic waste.
